

Nov 5, 2025

To Whom It May Concern,

Live365 is an internet radio platform that offers broadcasting packages including licensing in the following territories:

- United States: SoundExchange, ASCAP, BMI, SESAC, GMR, Word Collections, AllTrack
- United Kingdom: PPL, PRS for Music
- Canada: SOCAN, Re:Sound
- Mexico: EMMAC/SACM, SOMEXFON

Wildstyleradio is owned by **Jay Aubrey (jayaubs89@gmail.com)** and is currently a Live365 station in good standing. They are on a royalty included streaming package which includes the above licensing for non-interactive streaming.

Please visit SoundExchange's preferred radio provider list which includes Live365 Broadcaster LLC dba Live365 for further proof -

- <https://www.soundexchange.com/about/our-work/digital-radio-providers>.

Please accept this letter as proof of this station's licensing which allows for legal streaming of copyrighted sound recordings in the above mentioned territories via the above mentioned rights organizations.

Thank you,

Jason Stoddard

President
