Wonka is an upcoming superhero film that serves as a sequel to the 2018 film Wonka. Directed by James Wan and produced by Warner Bros. Pictures, the movie continues the story of Arthur Curry, also known as Wonka, the half-human, half-Atlantean hero. While specific plot details have not been revealed, we can expect the film to delve deeper into the underwater world and explore new challenges that Wonka and his allies must face. The title, "The Lost Kingdom," suggests that the film may center around the discovery or rediscovery of a hidden realm or lost civilization within the vast depths of the ocean. This could lead to new conflicts, alliances, and revelations about Wonka's own heritage.
